PROFESSIONAL PROFILE - *Web Developer / Certified Azure Developer Associate*

A diligent and adaptable Web Developer, armed with a strong foundation in computer science, a passion for problem-solving, and a dedication to continuous learning, I bring a fresh perspective and a hunger to contribute to innovative projects.

My proficiency spans both front-end and back-end development, with a knack for crafting user-centric interfaces and robust server-side solutions. Eager to collaborate with diverse teams, I am committed to delivering high-quality software that not only meets business objectives but also enhances user experiences.

I am excited to apply my technical skills and enthusiasm to create meaningful and impactful software solutions.

CAREER EXPERIENCE

Software Developer

Focusing my efforts on software development, after being educated in the field, by building complex projects that stretch my abilities to help me grow.

Favourite tools used in 2023:

- React and Redux
- NodeJS
- ExpressJS
- PostgreSQL
- Firebase
- Cloud (Microsoft Azure)

Example complex projects, include:

- faceDetect - a face recognition app built with React frontend, Clarifai ML API and a Node and Express backend, with Postgres database.
- LinkedIn clone - an implementation of a LinkedIn feed, built using React and Redux frontend with a Firebase backend.
- Deelz Tech Store - An e-commerce website built completely from the ground up using JavaScript.

Paramedic and Branch Manager

Before immigrating to Ireland in 2020, I was a career paramedic and in later years, became a branch manager, where I oversaw a team of 25 paramedics for a total of 7 years.

My duties included, but were not limited to:

- Emergency medical response and care.
- Project and stakeholder management.
- Team Leadership and management.
- HR functions.

ADDITIONAL LICENCES & CERTIFICATIONS

- Microsoft Certified: Azure Developer Associate (08/2023)
- Microsoft Certified: Azure Fundamentals (08/2022)
- Higher Certificate in Management (2019) - FPD Business School - SAQA ID 73498
